Course/Program Curriculum Changes: Principles

Program Title:	Business Administration - HR	
Program Alpha & Number:	BAH 1	
Effective Catalog Year:	2013/14	
Late Request:		

Reviews are likely to be a response to currency, flexibility and access issues. This review should:

- Clearly describe the reasons for and benefits of the change;
- Answer the questions regarding the effects of the changes – see Program/Curriculum "Rationale"

Note: The Faculty Dean must approve the changes at this point before any further work is to be done. Part of this approval will require that program mapping has been completed – see Note for #2 and #3 below. It may also require VPA's Office approval if significant changes are being proposed.

Changes must be to the benefit of the student with no disadvantages; therefore, if courses needed to complete the program are no longer offered, the School must develop a viable pathway to graduation.

Quality assessment of existing programs is achieved through continuous monitoring by the program team.

Reviews validate that the program learning outcomes are relevant/current and that they continue to be met by the graduation requirements in the program.

The essence of a program is represented in its learning outcomes; the graduation requirements identify the courses & activities whose successful completion is necessary to the mastery of the learning outcomes.

Process should be lean – no unnecessary new steps.

Once students start a program in a specific catalog, no changes to that degree audit may be made, e.g., a course change is proposed for third level. December 1st, 2010 for 2011/2012 catalogue means the new course would not be delivered until September 2012.

Changes must be documented – retained by the School as well as archived with the Office of the Registrar.

Communication of changes must be made to all affected stakeholders.

REGISTRAR

All requests for changes to programs of instruction must be submitted to the Registrar's Office by December 1st each year for changes to be implemented for the following September intake. All changes require the approval of the Dean and possibly the VPA's Office, if significant.

- The **Program/Curriculum "Rationale for Changes"** should be completed using this template and all areas must be completed. An electronic copy of this document should be submitted to the Registrar's Office.
- The Dean/Chair responsible for the program should consult with other affected schools and obtain the appropriate sign-offs on a paper copy of this document. Once all consultations and sign-offs have occurred, the paper copy should be submitted to the RO
- Course Request Forms must also be submitted electronically to Strategy and Planning for all new courses. These will be forwarded to Scheduling following approval of the changes by the Dean and possibly the VPA's Office.
